

CALOW CHURCH OF ENGLAND (VC) PRIMARY SCHOOL

Parents, Teachers and Friends Association

NEWSLETTER – February 2017

What is the PTFA?

A charity made up of parents, staff and friends from Calow Primary School who get together to support the School. We arrange fun events for the children and their families and all money raised is used to benefit the pupils within the school.

DJ needed!!

The PTFA urgently needs a DJ to perform 3 times per year (Christmas, Easter and Summer terms) at the school disco. This is a hugely popular event, very much enjoyed by school pupils and something we are keen to continue.

Do you know how to get the party started? School has some disco equipment that can be made available.

We require a DJ for the Easter disco. If you have what it takes, please don't be shy, we really need you! Please leave your details at the school office and we will contact you.
